For more details:
www.wintercamp.com

For years fine young men like this have lost untold wealth playing in the

Winter Camp Casino

The game is rigged but now, with the help of their friends,. They're going to rig it back and break the bank
You can be there to help them.

Your assets: Guile, imagination, and keen fashion sense

Their assets: age, 200+ Winter Camps, a published author on Casino mathematics, and they're the house.

If it was easy, anyone could break the bank.
